Lance,

Per our conversation this afternoon I would like to request a meeting with the Park Board of Directors to discuss an overnight radio activation at Salmon Park June 22 and 23. We would arrive around 11:00 AM the 22nd and would be wrapped up around 2:00 PM the 23rd.

It is our annual ARRL Field Day activity, where amateur radio operators setup and practice operating in emergency situations. We also use the activity to introduce amateur radio to the public. I would like to invite you and your family to join us for a visit.

Thanks you for your help,

Andy Barnes, W5KZJ
President
