Due to an emergency, Ms. Ann Bagley of Wilbur Smith Associates was unable to attend tonight's meeting as scheduled. City Manager, Bill Atkinson briefed P&Z on the city's future goals and objectives. Potential locations for fire stations, new city hall and other facilities were discussed. Mr. Atkinson presented a detailed recap of the information Wilbur Smith had supplied. He explained that Mr. St Jacques of Wilbur Smith had taken everyone's recommendations from the workshop session of 5/14 & would amend the map based on their suggestions, and mail a revised copy to each P&Z member. Discussion followed. The City Manager asked P&Z to plan to hold the public hearing on adoption of the Comprehensive Plan at the 2nd meeting in June. An open house type meeting will need to be scheduled before the public hearing. This open house will allow staff, members of the steering committee and representative from Wilbur Smith Associates to discuss and answer questions from citizens about the plan.

Chuck Schaefer arrived at 7:30 p.m.

There being no further business, Bill Hession made a motion to adjourn, Charles Sprague seconded the motion and it passed unanimously.
